FERKETICH

Capabilities

Construction / Preconstruction / Advisory

Zachary Ferketich | Lehigh Valley, Pennsylvania

Original field photography / Curved paver walk

20+ years of hands-on construction and field operations experience.

ASPE Estimating Academy coursework | 36 PDUs

Construction & project delivery

Renovation, hardscapes and sitework. Scope field coordination and material planning to the job.

Preconstruction & estimating

Bid readiness reviews, takeoffs, material and labor assumptions, and estimate packages.

Construction & operations consulting

Review field-to-office handoffs, scope changes, estimating workflows and inquiry follow-up.

Digital engineering

Websites, OCR and document workflows, purpose-built tools and scoped systems integration.

Starting a conversation

Share the scope, bid date or project timing, and what you need to decide. We agree on the deliverable and scope before work starts.
